

"Betting on Small Business Bazaar" at the Downs!

Saturday, July 14th

The Wyoming Downs would like to invite Evanston-area small businesses to participate in our **3rd Annual "Betting on Small Business Bazaar" at the Downs!** There are **no fees** for participants to bring items to show, advertise, donate, or sell. It is our way to give back to the community for the many years of wonderful support shown to the Wyoming Downs Race Track and its Horsemen.

The third event will be held on **Saturday, July 14th**. The Bazaar will be held at the south end of the grand stand in the entertainment area. The featured races that day will be the Utah Bred Futurity and the Wyoming Downs TB Futurity. On this day, we welcome all local small businesses to come on out, put up a booth, and enjoy a day at the races! Space is limited so RSVP soon to make sure you get in on the fun. Space size will be approximately 10'x10' with electricity available in some spots. Though we will try our best to provide shade and tables, participants are encouraged to bring their own tents/canopies, cabling/cords, and table/chairs if they have them. Please note that no food or drink may be sold. Only samples may be offered. All other wares may be sold.
